

RESOLUTION 19-02

**STRONGLY URGING THE OHIO GOVERNOR AND MEMBERS
OF THE OHIO GENERAL ASSEMBLY TO RESTORE THE LOCAL
GOVERNMENT FUND TO PRE-RECESSION LEVELS**

WHEREAS, the Local Government Fund was reduced in 2011 by 50% during the Kasich Administration, from 3.68% of General Revenue Funds to its current level of 1.66% of General Revenue Funds; and

WHEREAS, past Ohio General Assemblies have repeatedly decreased funding and revenue sharing in recent years in addition to significantly reducing the Local Government Fund, including eliminating the Estate Tax and phasing out the Tangible Personal Property Tax; and

WHEREAS, these reductions have resulted in a loss of tens of thousands in revenue; and

WHEREAS, this sudden revenue loss has made it increasingly difficult to provide basic services, rebuild infrastructure, and bolster public safety services to fight the opioid epidemic; and

WHEREAS, when municipalities experience success in fostering safe communities, building sound infrastructure, and increasing economic development, the State of Ohio reaps the benefits as well.

WHEREAS, a reinvestment of Local Government Fund would aid the state in its goal of lowering taxes on the individual by enabling municipalities to decrease the local tax burden.

NOW, THEREFORE, BE IT RESOLVED by the Council of the Village of South Point, Ohio that:

Section 1. The Ohio General Assembly should restore the Local Government Fund to pre-recession levels, ensuring that these local communities are able to provide crucial services and improvements in infrastructure and public safety.

Section 2. This Council does hereby declare its opposition any further cuts to the Local Government Fund or the future diversion of revenues from the Local Government Fund.

Passed by the Council on the 4th day of June 2019
