

## Ordinance 98-//

### An Ordinance Regulating the Use of Water Meters Outside the Corporation Limits of the Village of South Point and Declaring an Emergency

**Whereas:** the Council of the Village of South Point deems it necessary to regulate the use of water meters for the South Point Water System outside the corporation limits of the Village,

**Now Therefore Be It Ordained:** by the Council of the Village of South Point, that,

Section 1. Any new water taps installed by the South Point Water System outside the corporation limits of the Village of South Point shall have a meter installed and be billed monthly according to the gallons used specified by the current water rate ordinance.

Section 2. This ordinance is declared to be an emergency measure to ensure adequate operating revenues and to provide proper water service to the users and shall take effect immediately upon passage.

Adopted the 7<sup>th</sup> day of July 1998

William A. Gaskin, Mayor

Attest:   
Scott Thomas, Clerk
