Boy Scouts dedicate South Point Veterans' Memorial

November 08, 2009 @ 11:40 PM
The Herald-Dispatch

SOUTH POINT, Ohio -- The Boy Scouts of America (BSA) was partly founded on the principle of giving back to the community. As part of that mission, the BSA created the South Point Veterans' Memorial to honor the nation's veterans, both living and dead.

It was dedicated Sunday.

The memorial consists of a 10-foot-tall black granite monument and flag poles flanking each side of the monument. It is located at the South Point Boat Ramp, on 2nd Street West in South Point, Ohio

Boy Scout Troop 115 was in charge of the project.
